HTML5, CSS3, JavaScript, React.js

Concepts

Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), Database Management Systems (DBMS)

Database Management

MySQL

Tools

VS Code

Web Development

Responsive Web Design, REST APIs

PROJECT

A Hotel Website Frontend Development (HTML, CSS, Javascript)

11/2025 – 02/2026

- A Hotel Website Frontend Development (HTML, CSS, Javascript)
- Optimized website layout for mobile, tablet, and desktop devices.
- Improved user interface and accessibility through modern web design practices.
- Used JavaScript to create dynamic content and interactive features.
- Ensured cross-browser compatibility and responsive performance.

Currency Converter

- Developed a responsive Currency Converter application using React.js.
- Implemented dynamic currency selection and instant conversion functionality.
- Used React Hooks (useState, useEffect) for state management and API handling.
- Designed a user-friendly interface with responsive layout.

EXPERIENCE

Web Developer Intern, Pfixs Technology Pvt Ltd.

03/2026 – 05/2026 | Prayagraj(onsite)

- Developed a full-stack online examination application portal using React.js, Node.js, Express.js, and MySQL.
- Designed and implemented candidate registration and application submission modules.
- Stored and managed applicant information in MySQL database.
- Implemented unique registration number generation for candidates.
- Added form validation to ensure accurate data entry.
- Developed responsive and user-friendly interfaces using React.js.
- Enabled application preview and data verification before final submission.

Frontend Developer Intern, Vedsar India Pvt. Ltd.

11/2025 – 02/2026 | Prayagraj(onsite)

- Designed and developed a fully responsive web application using HTML, CSS, and JavaScript, ensuring seamless performance across mobile, tablet, and desktop devices
- Applied modern UI/UX principles to enhance usability, accessibility, and overall user engagement

EDUCATION

Master of Computer Applications, Galgotias College of Engineering Technology

2022 – 2025

SGPA: 7.61

Bachelor in Science (Mathematics), Dr. Ram Manohar Lohia Avadh University

2018 – 2021

Percentage: 71

InterMediate(PCM), SVMIC Jharkhand Kadipur Sultanpur

2018

HighSchool, SVMIC Jharkhand Kadipur Sultanpur

2016
